Condolence Message

Late Prof.(Dr.) D. V. Raman Rao
13.07.1926 - 29.10.2020

Prof.(Dr.) D. V. Raman Rao, a stalwart of Inorganic Chemistry and a grand teacher, passed away on 29th October 2020 at the ripe age of 95.

Professor Rao began his professional career as a lecturer at Ravenshaw College, Cuttack, in 1948. He did his Ph.D. at University College London, working under Sir Ronald Sydney Nyholm. In 1962 he joined the erstwhile Regional Engineering College, Rourkela, and worked there till his retirement in 1986. He published over 500 research papers and guided 18 Ph.D. students. He will be best remembered as an adored teacher for his profound knowledge in metal complex chemistry and as a suave, articulate, and compassionate human being.

We, the Members of the Orissa Chemical Society, extend our deepest condolences to the bereaved family and pray to God for the noble soul to rest in peace.

(Shashadhar Samal)
President, OCS

For the Members of the Orissa Chemical Society
