Condolence Message

Late Prof.(Dr.) Prakash Kumar Mohapatra 01.07.1941 - 26.12.2020

Prof.(Dr.) Prakash Kumar Mohapatra, our loving teacher, known for his passionate teaching of organic reaction mechanism and as an ardent lover of photography, passed away on 26th December 2020 after a long illness.

Prof. Mohapatra spent a significant part of his professional career at Ravenshaw College, Cuttack. He is known for his mesmerizing teaching that makes his students see mechanistic pathways. In the Chemistry Department, a photography laboratory was set up by him to give practical training on black and white film photography. He retired from Government service in 1999 as the President of the State Selection Board.

We, the Members of the Orissa Chemical Society, offer our deepest condolences to the bereaved family and pray God for the noble soul to rest in peace.

(Shashadhar Samal)
President, OCS

For the Members of the Orissa Chemical Society
