Late Prof. (Dr.) Sukumar Aditya

Our teacher Professor Sukumar Aditya passed away on the 28th December 2019 in Kolkata at the age of 95 years. We, the Members of the Orissa Chemical Society extend our deepest condolences with grief and great sense of loss at the sudden demise of Professor Aditya.

He was an adorable teacher and researcher. In his long career as a distinguished Professor of Chemistry, he was deeply associated with the Chemistry fraternity of Odisha. He was the first Ph.D. in science stream in Chemistry from Utkal University along with Late Prof. Mahendra Kumar Rout. He was the last living Founder Member of Bigyan Prachar Samiti of Odisha. Professor Aditya was the President of the Royal Society of Chemistry, Eastern India Section.

In these moments of grief, we pray God for the noble soul to rest in peace.
