About KIIT Deemed to be University:

Kalinga Institute of Industrial Technology (KIIT) Deemed to be University, Bhubaneswar, Odisha, is one of India's most prestigious and rapidly emerging institutions of higher education, renowned for its academic excellence, research, innovation, and global outlook. Established in 1992, KIIT offers 216 diverse undergraduate and postgraduate programmes spanning engineering, science, technology, management, medicine, law, and other interdisciplinary disciplines. With a strong emphasis on quality education, cutting-edge research, entrepreneurship, and industry - academia collaboration, the University is committed to nurturing highly skilled, innovative, and socially responsible graduates.

KIIT has consistently strengthened its global academic reputation through remarkable achievements in national and international rankings. In 2026, it secured the 4th position among Indian universities in the Times Higher Education (THE) World University Rankings 2027, emerging as the top-ranked university in Eastern India. It also achieved the 6th position in India and 169th position in Asia in the THE Asia University Rankings 2026. Furthermore, KIIT secured the 4th position in India in the THE Impact Rankings 2026, reflecting its outstanding contributions towards the United Nations Sustainable Development Goals (SDGs) and its commitment to inclusive and sustainable development.

With a vibrant academic ecosystem comprising over 40,000 students, 3,000 faculty members, and more than 175 research centres of excellence, KIIT continues to make significant contributions to scientific advancement, technological innovation, and societal transformation.

Driven by its vision of academic excellence, international collaboration, and sustainable development, KIIT aspires to emerge as a globally recognised centre of excellence in education, science, and technology.

About Orissa Chemical Society (OCS)

The Orissa Chemical Society (OCS) was established in the year 1985 with Prof. Mahendra Kumar Rout as the founder president. The aims and objectives of the OCS are to (i) promote, improve the standard of teaching and research in chemistry and allied science in Odisha, (ii) organize conference and symposia for further improvement in teaching and research (iii) create public awareness regarding the environment impacts of the use of various chemicals in our daily life, (iv) bring out a journal / magazine in chemistry, and (v) popularize the discipline of chemistry. Till date more than 3000 chemists have been enrolled as life and patron members of the society. More details. **Link https://orchemsoc.in/**

Topic:

- Functional materials
- Framework & Hybrid
- Smart and intelligent materials
- Asymmetric Synthesis, C-H bond activation, Organocatalysis
- Drug Discovery
- Spectroscopy
- Energy Storage & Devices
- Computational Design & Application
- Quantum Chemical Study
- Density Functional Theory
- Machine Learning accelerated catalysts discovery
- Artificial Intelligence

Publication:

The selected papers will be published in SCI and SCOPUS indexed journals.
