Condolence Message

Prof. (Dr.) Jibanananda Kar
11.02.1942 – 30.09.2023

Prof. Jibanananda Kar, a prolific teacher, an affectionate, kind, and simple human being is no more. He passed away on the evening of 30th September 2023 at his Cuttack residence at the age of 81.

Prof. Kar spent most of his academic and professional life at Ravenshaw College where he did his MSc, was Lecturer and Reader in Chemistry, and ultimately the Head of the Department (1996-98). He served Phulabani College as the Principal in 1998 and retired from Government service in 2000.

Prof. Kar will be best remembered for his systematic classroom teaching. With a flair for the details, his writing on the blackboard was like print on paper. He was an avid photographer. He had a vast collection of gramophone records and he loved listening to those old movie songs and classical music with friends and colleagues. His loss has left his myriads of students and colleagues in sorrow and deep sense of loss.

We, the Members of the Orissa Chemical Society, offer our deepest condolences to the bereaved family and pray to God for the noble soul to rest in peace.
