Condolence Message

Late Prof. (Dr.) Baisnab Charan Singh 01.02.1947 - 15.12.2024

The Orissa Chemical Society expresses its profound sorrow at the sudden passing of **Prof. (Dr.) Baishnab Charan Singh**, a distinguished scholar, educator, and esteemed member of the OCS.

Prof. Singh completed his M.Sc. in Chemistry from Utkal University in 1970, securing first position, and began his academic career the same year as a Lecturer in Chemistry at Ravenshaw College. A recipient of the prestigious Commonwealth Fellowship, he pursued advanced studies at the University of British Columbia, Canada, earning a second Ph.D. to complement the one he had obtained from Utkal University in 1977 working under guidance of Prof. Mahendra Kumar Rout. In 1985, Prof. Singh joined Utkal University as a Reader and later held positions as Professor of Chemistry at G.M. College, Sambalpur, Khallikote College, Berhampur, and Ravenshaw College, Cuttack. Over his illustrious career, he guided 21 Ph.D. scholars and published more than 100 research papers in national and international journals. He retired as a Professor of Chemistry on January 31, 2005.

Later, in his retirement years, Prof. Singh embraced a spiritual path, dedicating himself to a life of renunciation and serving society in meaningful ways.

The Orissa Chemical Society extends its heartfelt condolences to Prof. Singh's family, friends, and students. His profound contributions to science and education will continue to inspire generations of chemists.

May his soul rest in eternal peace.

(Prof. Ajaya Kumar Behera)
President, OCS

For the Members of the Orissa Chemical Society
